**Secretary's Report for January** - Approved secretary's report for January 2009.

**Treasurer's Report for January** -Treasurer's report approved without objection.

**New Business:**

1. 3703 Stewart Drwy. Permit for addition – Approved closing-in and expanding existing back porch. County has approved.
2. 3808 Montrose Drwy. Permit for addition - Pending more complete drawings and notice to be given to immediate neighbors. In process of applying for county permit.
3. FY 2010 Budget – Bob and John are starting the process. Council will look at it in March. It will be presented in April and it will be up for approval in May.
4. Traffic Orders – Bob and Joe Cutro are putting it together and should have it for council approval next month. This will show all the up-to-date legal signs placed around the Village.

**Unfinished Business:**

1. Fourth of July picnic – The Houlihan's are interested in managing the party.
2. BRAC update – According to SHA (State Highway Admin.) there are four intersections that are failing
  - MD 355 (Rockville Pk.) @W. Cedar Ln
  - MD 355 @ Jones Bridge Rd.
  - MD 187 (Old Georgetown Rd.) @ W. Cedar Ln.
  - MD 185 (Conn. Ave.) @ Jones Bridge Rd.

SHA is currently preparing detailed designs for these intersections. Late March is the expected date of Public Presentation. Public Hearings and a Public Forum will follow.

Tentative schedule:

- Begin Right of Way Acquisitions: Spring/Summer 2009
- Complete Design: Spring/Summer 2010
- Begin Construction: Summer/Fall 2010
- Construction Completion: Fall/Winter 2011

Bob will be sending a letter to residents on Connecticut Ave. requesting them to keep the Village informed if there is any communication from the state or county about acquisitions or changes to that street.

3. Traffic cameras – A letter will be drafted to the county requesting a speed camera on Jones Bridge Rd.

Meeting adjourned at 9:40 pm.
