Treasurer's Report – Made changes to typos on report. The report for February, 2006 was approved without objections.

New Business:

1. Permit to construct an addition at 3601 Inverness Drive. Planning on changing single story rambler to a bungalow. Architect came to explain plans. Discussed roof height and setbacks. No changes in footprint except for addition of open front porch and deck in back. Both are within setback limits for non-enclosed structures. Likely to take out weeping cherry tree out of front yard. Approved without objection.
2. Preliminary budget for FY2007. Reviewed budget line by line. Most of the line items based on history, current contracts and forecasted price increases. Needs to be finalized and approved at April meeting.

Unfinished Business:

1. Nominating Committee interim report. Have not received any nominations to date.
2. A. Morton Thomas proposal. Discussed drainage problems at Montgomery and Stewart. Bid looks reasonable, but the village should look at getting another bid. Do not need to make a decision at this time.
3. Diverter repair proposal. Received bid from M. Luis Construction.

Other Business:

1. Some parents at the bus stop discussed not having enough crosswalks in the neighborhoods for the children. Perhaps one on Montgomery Ave and Jones Bridge.

The meeting was adjourned at 22:16 a3/p3.
